

**Retreat Speaker:
Rev. Steve Chua**

Dear Beloved,

This is an invitation to break away from the everyday busyness to draw back to the simplicity of being with the One you were created for!

It's so easy to be human, making excuses and get distracted with the drudgery of "living" that we often forfeit eternal glory and true life for momentary pleasures.

But God, in His infinite grace and faithfulness as our Father, has His arms wide open, welcoming and calling His children home!

It's time for us to come out of the desert, into the oasis of His love, that we may enter into our destiny in the eternal promise land.

Join us this Easter season and be refreshed!

"...the wine is to refresh those who become exhausted in the wilderness."

(2 Sam. 16:2)

Seeking after His Kingdom.
